

CBC MEMBERSHIP RENEWAL TIME

It's time to renew your annual membership – and support the Council's activities with your dues and donations. It's also a great time to encourage your neighbors to join. Don't delay. Let's work to get all Coral Bay working together for our future.

BOARD OF DIRECTORS

CBCC has a wonderful and dedicated Board of Directors. During the year, there have been some changes. Founder Alvis Christian resigned from active Board participation, and has joined our Advisory Council. Beulah Dalmida-Smith resigned. We were very pleased to have Barbara Dalmida Thompson join the Board. She has become our Vice President. We are still working to expand the representation on our Board.

William E. Lomax, a member of our Advisory Council and very respected member of our community passed away this year. We will miss him. Elvis Marsh has recently joined the Advisory Council especially to focus on stormwater management issues.

Efforts have started and will be increased during our second year to develop effective working relationships with all branches and departments of our VI government. We have started a few important and ongoing projects, and will begin more as our expertise and resources grow.

Methods of operation: Although our initial CBCC strategy had been to maintain a number of issue committees, this proved currently impractical, and led to more focused “task team” committees being created for particular projects. The CBCC board is very active in reviewing and coordinating all CBCC activities.
